

CITATION FACTS

AIRFRAME & ENGINE INFORMATION & CAPABILITIES

AIRFRAME CAPABILITIES

Lincoln, NE, and Battle Creek, MI, facilities are both Authorized Cessna Service Centers. We perform major inspections including all Phase and Inspection Document Inspections.

Our high recognition year after year by the Professional Pilot survey as two of the top maintenance facilities is a reflection of our technicians' experience and dedication.

Our Citation Team consists of A&P and IA-qualified aircraft inspectors and factory-trained specialists available around the clock to help with maintenance-related questions and troubleshooting.

Tracker, Duncan Aviation's computerized tracking system, is available to track aircraft maintenance. We also use CESCO on-line and have access to CESCO records with operator's permission.

ENGINE CAPABILITIES

We are an authorized Honeywell MSP TFE731 Major and Line Service Center. Our Citation Engine Team includes technicians on-call for in-house or "in the field" engine repair, 24/7.

We offer comprehensive engine capability:

- Pratt & Whitney JT15D Hot Section Inspections.
- Pratt & Whitney PW545 Hot Section Inspections.
- Exclusive "Intelligent Choice" overhaul program for JT15D.
- Major Periodic Inspections, parallel maintenance.
- Compressor Zone Inspections, line maintenance, troubleshooting and coordinating engine upgrades.
- Duncan Aviation fleet of TFE731-2/-3 rental engines to support MPIs & CZIs.

APU CAPABILITIES

- Honeywell Authorized GTCP36-100 and GTCP36-150 series APUs.
- FAA Certified Hamilton/Sundstrand APS 500 APUs.
- Performance evaluations / Troubleshooting.
- Hot section inspections / Borescope inspections.
- Hamilton Sundstrand semi-annual, annual and biennial inspections.
- Access to Honeywell rental APU bank.
- Line Maintenance and R & Rs.
- Honeywell periodic hourly inspections.

AUTHORIZATIONS

- Authorized 500 Series and 600 Series Service Centers.
- Authorized Honeywell MSP TFE731 Major and Line Service Center.
- Honeywell Authorized GTCP36-100 & GTCP36-150 series APUs.

CERTIFICATION

- FAA Certified to repair Hamilton/Sundstrand APS 500 APUs.

CITATION FACTS

INTERIOR & PAINT INFORMATION & CAPABILITIES

INTERIOR CAPABILITIES

Duncan Aviation is a leader for interior refurbishments on Citations. This recently completed Citation 750 interior (photo below) is a culmination of our teams' experience and creativity and the leading-edge technology we utilize when completing interiors at Duncan Aviation. Learn how Duncan Aviation can update the design of your Citation interior to add value, functionality and a renewed comfort level that truly must be experienced to be appreciated.

INTERIOR OFFERINGS

- Citation III to VII interior conversions.
- Citation 560 to "Ultra" interior conversions.
- Pre-built cabinets, executive tables and pocket doors.
- 16G seat upholstery STC for Citation 525, 560X:L and 750.
- Custom thermal and acoustic insulation packages.
- Custom cabinets and finishes.

PAINT

Duncan Aviation is famous for its high-quality paint jobs on Citations. This reputation has been earned over the years by consistently delivering high quality, long lasting paint jobs and by the unmatched attention to detail and innovative paint processes we employ. Duncan Aviation also offers the shortest downtimes in the industry as we will repaint a Citation 500- Citation 650 in 16 calendar days or a Citation 750 in as little as 20 calendar days.

Duncan Aviation is experienced with painting all models of Citations; from the 500 through the 750, even the Citation 680 Sovereign and the Citation C510 Mustang. For each paint workspe, our teams complete a detailed paint debrief that outlines all the details necessary to ensure the paint job is completed to the customer's exact specifications and will last for years to come. In fact, Duncan Aviation offers a three-year warranty on all paint worksopes

DUNCAN DESIGN

Our award-winning in-house Duncan Design team leads the industry in creating custom and unique paint and interior schemes. The Duncan Design team will guide you through the specification process and monitor the project while in-house to ensure all aspects are completed to your exact specifications.
