## INTERIOR & PAINT INFORMATION & CAPABILITIES

### INTERIOR CAPABILITIES

Duncan Aviation is the recognized leader for Interior Refurbishment. Duncan Aviation holds the top spot in Professional Pilot magazine's reader poll. Duncan Aviation took first place in the "Best Completion/Modification Center" category. This ranking is a reflection of listening to you – understanding how you use your aircraft and your personal taste are key elements influencing your final design. The result is a proven design process that repeatedly delivers stunning, functional and easily maintainable interiors.

### INTERIOR OFFERINGS

- Duncan Aviation "Silhouette" Headliner (one-piece Lear 31 style).
- One-piece window line panels.
- Custom cabinets and finishes.
- New cabin seating.

### PAINT

Collaboration with Duncan Design provides exciting design alternatives, and allows you to tailor your scheme to your aircraft.

Attention to detail in each stage of preparation assures your aircraft will be protected from the elements for years. Following the paint application process, our dedicated paint team meticulously details the aircraft prior to delivery. This team has unmatched ability to improve a paint job that, to the un-trained eye, is already flawless. Our paint facilities create optimum paint environments with air filtration systems, temperature control systems, humidity controllers and airflow systems. These systems allow consistent, high-quality, beautiful paint finishes in the shortest downtime possible.

### DUNCAN DESIGN

Our award-winning in-house Duncan Design team leads the industry in creating custom and unique paint and interior schemes. The Duncan Design team will guide you through the specification process and monitor the project while in-house to ensure all aspects are completed to your exact specifications.
