## **INTERIOR - Duncan Aviation, 2010**

This aircraft is an executive 8 passenger double club. The headliner and upper sidewalls are pearl in color with modified drink rails. Passengers can enjoy the comfort of light pearl leather covered seats with lower side walls that are covered in a navy blue pinstripe fabric. The carpet is custom dark navy blue carpet and includes a navy blue aisle runner. A right hand galley refreshment center in the forward cabin features a solid countertop and hot and cold beverage service. The cabinets are finished in high gloss Sapele wood veneer with satin nickel fixtures throughout the cabin. This aircraft features an aft belted lavatory. Fireblocked.

Completed by Duncan Aviation, April 2010

## **EXTERIOR - Duncan Aviation, 2010**

## Duncan Aviation

Duncan Aviation was founded in 1956 as an aircraft sales organization and is a founding member of IADA. Since 1956, we have conducted more than 3,500 transactions. We have 2,150 aviation experts worldwide, each with an average of 12 years with the company. The aircraft sales team partners with these experts to provide technical support before, during and after the aircraft transaction.

Duncan Aviation is the world's largest privately owned business jet support facility. We provide business aircraft operators with every aircraft service they need. Yet we do so with the friendliness and responsiveness of a small-town company.

Our people have a passion for aviation and for serving customers. They are among the most experienced in the industry and the quality of the service they provide is among the best in the world.

Customers often visit our major MRO facilities in Battle Creek, Michigan; Lincoln, Nebraska; and Provo, Utah, and are surprised at our vast array of services, our innovative solutions and our excellent customer service.

We provide aircraft acquisition & sales, airframe & engine maintenance, avionics installations, interior & paint completions/modifications, avionics/instrument/accessory repairs & overhauls and parts support for Bombardier, Dassault, Textron, Gulfstream and Embraer manufactured aircraft. Our 20+ avionics satellites and 16 engine Rapid Response offices provide avionics and engine services in the field for scheduled and AOG work. And our parts team provides 24/7/365 support worldwide with knowledgeable reps who answer the phone day or night.
