Duncan Aviation is the world's largest privately owned business jet support facility. We provide every aircraft service an operator might need with the friendliness and responsiveness of a small-town company.

We provide aircraft sales and acquisitions, airframe and engine maintenance, avionics installations, interior and paint completions/modifications, avionics/instrument/accessory repairs and overhauls, and parts support for Bombardier, Dassault, Textron, Gulfstream, and Embraer-manufactured aircraft.

Our people have a passion for aviation and for serving customers. They are among the most experienced in the industry and the quality of the service they provide is among the best in the world.

Duncan Aviation, Inc. is an Equal Opportunity/Affirmative Action Employer. All qualified candidates will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, status as a protected veteran, age, genetic information, marital status, or any other characteristic protected by law.

COME. GROW. STAY.

See where a career in aviation can take you!
